## **JANATA COLLEGE, SERFANGURI AT A GLANCE**

The people of Ramfalbil and Serfanguri area felt the need of an institution of higher education as there was no institution imparting higher education in the locality within a radius of 40 kilometers. For this reason many poor but talented youths were deprived of their rights to acquire higher education. So, in order to fulfill these needs of local youths, some leading personalities of the locality came forward to establish a college at Sefanguri. They mobilized the public support and called a general meeting in the month of November, 1975. In that very meeting a Sponsoring Body was constituted with the following members for the establishment of a college.

1. *Late Saniram Brahma, President*
2. *Late Harendra Nath Brahma, Secretary*
3. *Late Kamaleswar Brahma, Cashier*
4. *Late Thaneswar Narzary, Member*
5. *Sri Sarat Ch. Dutta, Member*
6. *Late Biraj Mohan Basumatary, Member*
7. *Late Upen Brahma, Member*
8. *Late Baneswar Basumatary, Member*

The Sponsoring body could not establish the college in that same year for not getting permission from the Govt. of Assam. However, prior to getting permission They established the college in the year 1977, which has become a memorable year in the history of the college with P.U. 1st year class. The Sponsoring Body felt that a local man would be the best to tun the college since there were only few number of Post Graduate Degree holders in and around Ramfalbil-Serfanguri area, the most senior and experienced personality, Sri Kamaleswar Brahma who was the cashier of the Sponsoring Body was entrusted with the responsibility of Principalship of the college. As the college did not have its own building to begin with, the classes were tun till 1979 at the building of Friends' Union Club, located at Ramfalbil Bazar with the following founder lectures in their respective departments-

In 1979 the college obtained formal permission to start the PU Class when the Janata Party was in power both at the centre and at the State. The Sponsoring Body decided to name the college after the party out of its gratitude for giving permission to start the college. In the same year the Sponsoring Body was converted to Governing Body. The Governing Body worked relentlessly for the college till the Govt. concurrence was received by the college in 1980 for starting PU class.

In the mean time the construction of Janata College Building was completed at its permanent site at Serfanguri field in 1979. The college was shifted from Ramfalbil Friends' Union Club to its permanent building at Serfanguri field.

As regards to the permanent site of the college, mention must be made that the location was a grazing field under the possession of the people of Kolabari and Serfanguri village. The villagers made generous offer to build the college building at the proposed permanent site as they also understood the necessity of the institution in the locality. The people of the village allowed the college governing Body to possess 45 bighas (15 acres) of land out of the grazing field.

First year Degree class was introduced in the college in 1984 after two batches of PU students appeared their final examination from the college. The permission for starting first year TDC course was obtained from the Gauhati University in 1987.

The progress of the college was moving in a snail speed. To this slow progress, the college building and all assets of the college were gutted in fire during the peak period of ABSU movement in the month of March 1989. As a result the college remained defunct for about one year. Thereafter the people of the area felt the necessity of rejuvenating the college. So, with a view to rejuvenating the college, a new Governing Body was constituted in 1990 to look after the whole affairs of the college. Thus, in the year 1990, the college was revived and brought back to its life by local educationally enthusiastic leaders.

In the same year, the newly constituted Governing Body appointed Sri Kanak Lal Basumatary as vice Principal who had been working as a lecturer in the department of Body since 1979. The Govt. concurrence to the GU permission to open 1st year TDC Class could not be obtained as there were many conditions yet to be fulfilled by the college as per GU ordinance. In the meantime, for the reason best known to him, Kamaleswar Brahma resigned from the post of Principal in the

month of August 1991.

Subsequently, Vice-Principal Sri Kanak Lal Basumatary was appointed as Principal on 7th August, 1991. A heavy responsibility of placing the college on the path of growth and progress fell on the shoulder of the new principal. The door of progress opened only when the inspector of college, Mr. A.C. Pegu came to Janata College, Serfanguri for inspection in July 1992. After the Govt. Concurrence was accorded, the college was affiliated to Gauhati University upto TDC Part-I in March, 1993. With that there began a real academic atmosphere in the college. It was fully affiliated upto TDC (Arts) Part-II in 1994.

After a long period of 15 years it was finally affiliated as a constituent degree college under Gauhati University. Since then its Progress was amazing in the sense that it was able to climb the ladder of development. The college was finally brought under Deficit System of Grant-in-Aid in 1996.

At present the college has intake capacity of 300 Students in both Higher Secondary Class and 400 students in Three Years Degree Class.

The college came under UGC's 2(F) and 12(B) Act in the year 2006 and became Provincialised as per State Government's Gazette Notification in the same year.

## BODOLAND UNIVERSITY REGULATIONS ON UNDER-GRADUATE DEGREE EXAMINATIONS UNDER CHOICE BASED CREDIT SYSTEM

### 1. INTRODUCTION:

The University Grants Commission has made it necessary to introduce uniform grading system under Choice Based Credit System (CBCS) in the entire higher education in India. The course shall be evaluated following the grading system, which is considered to be better than the convention marks system. This will benefit the students to move across institution within India and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidate. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has issued the guidelines. While quite a good number of universities have already started implementing this new system, the Bodoland University has decided to introduce this system in all under-graduate (UG) programmes- Arts, Commerce, and Science- in line with the UGC guidelines in all its affiliated colleges from the academic session 2015 onwards.

The CBCS is an instructional package developed to suit the needs of students to keep pace with the developments in higher education worldwide. The student in this system has considerable freedom in choosing courses and so making his/her own personalized programme in a cafeteria mode keeping in mind necessary credit requirements of a course. Except for the compulsory and core course of the subject option of the student, he/she is free to choose from elective courses. Each course is assigned with a fixed number of credits based on the contents to be learned and a degree is awarded on the basis of required number of credits to be completed by the students. In brief, the CBCS has following main objectives:

- \* To promote learner centeredness in curriculum
- \* To encourage inter-disciplinarily without sacrificing the domain knowledge
- \* To promote mobility of students and help in optimizing learning
- \* To allow autonomy to the teachers with built in accountability
- \* To continuously evaluate students and help in optimizing learning
- \* To introduce transparency in the evaluation system
- \* To promote teacher-student relation and engagement
- \* To improve employability among students

## 12. PROGRAMME IMPLEMENTATION:

Every college shall offer uniform pattern of credit loads and follow uniform academic calendar in each semester. Academic calendar shall be prepared by the University. However, a college may prepare its own inclusive calendar to conduct curricular and extra-curricular activities within the broad frame of the university academic calendar. Internal Assessment tests must be completed by the colleges well before the commencement of the End-semester examination. Odd-semester examinations shall be conducted by the University in November/December and Even-semester examinations in May/June every year.

## 13. ELIGIBILITY FOR APPEARING END SEMESTER EXAMINATION :

A student shall be deemed qualified to appear at the End-semester examinations only if he/she secures minimum qualifying marks/grade in the Internal Assessment tests and maintains 75% attendance separately for every subject/course. Students having attendance below 75% but above 65% shall have to apply for condonation only under medical/court affidavit.

#### **14. ASSESSMENT AND PERFORMANCE:**

Assessment of all regular Under-Graduate programmes under Bodoland University shall be based on *Choice Based Credit System (CBCS) and Continuous Assessment and Grading System (CAGS)*. Continuous assessment comprises continuous In-semester evaluation of students at respective colleges and an End-semester examination for each course to be conducted by the university at the end of each semester within the half-yearly term.

**14.1** UG degree shall be awarded on the basis of evaluation of a student at least 3 (three) times during each semester: (i) 2 In-semester (sessional) assessment, and (ii) 1 End-semester examination in each course/paper in each semester.

**14.2** The performance of a student in CC/DSC/DSE/GE/AEC/SEC courses shall be evaluated on 20:80 basis i.e. 20% weightage in Internal Assessments and 80% for End-semester examination. The AEC and SEC courses that carry lesser credits and lesser marks shall also be assessed on this basis.

**14.3** A student shall be required to pass In-semester and End-semester examination separately with minimum pass grade (equivalent to 40% marks) in each individual theory as well as practical paper.

**14.4** Practical examinations may form a parts of internal evaluation besides being part of the external examinations that shall normally be held before the End-semester theory examinations.

**14.5** A student shall be required to obtain minimum credits, clear all course of the UG programme and secure CGPA 4.0 (equivalent to 40% marks to be awarded Bachelor's degree).

#### **15. IN SEMESTER ASSESSMENT:**

**15.1** The schedule for In-semester assessment tests shall be made known to the students by the college authority at the beginning of each semester. Normally, each test shall assess the student's competence on that part of the course which is covered during the period preceding the test. The tests shall be evenly out throughout the semester.

**15.2** College may employ two or more assessment tools such as sessional (written tests, assignment, paper presentation, field/libray/laboratory work etc suitable to the course or as may be decide by UG Board of the University from time to time.

**15.3** Students shall compulsorily attend these In- semester assessment tests failing which they will not be allowed to appear for the End-semester examination.

Provided, if for any compulsive and valid reason a student fail to appear the In-semester examination(s), the course teacher(s) may arrange special In-semester examination(s) with the permission of the Principal of the college.

**15.4** A student shall be required to pass In-semester separately with minimum pass grade (equivalent to 40% marks) in each theory and practical paper. The marks and grades obtained by a student in the In-semester examinations shall be carried over for evaluating the overall grade in a course.

**15.5** If a student fails to clear the In-semester examination, he /she cannot repeat the same

examination, but shall be required to repeat the course anew.

**15.6** Normally, each In-semester examination shall be of 1 (one) hour duration.

**15.7** The course teacher shall evaluate the answer scripts and result shall be notified to the students by the course teacher(s) within 10 days of the examination. The students may appeal to the Head of Department/Principal for re-checking/re-evaluation.

**15.8** Each evaluator shall submit the marks-sheet within the stipulated period to the Principal who, after removing all anomalies, shall submit a copy of the result in the office Controller of Examination End-semester examination.

**16. END SEMESTER EXAMINATION:**

**16.1** There shall be a terminal examination at the end of each semester. It shall carry 80% weight age in each paper covering the entire prescribed syllabus for the course.

**16.2** A student shall be required to pass each paper/course of the End-semester examination with a minimum pass grade (equivalent to 40% marks).

**16.3** If the student does not clear an End-semester examination with a pass grade, he/she shall be required to repeat examination in corresponding End-semester examinations.

**16.4** End-semester practical examinations shall normally be held before the theory examinations.

**16.5** The pattern of the End-semester examination shall be decided by the UG Board from time to time.

**16.6** The duration for an End-semester theory examination shall normally be 3 (three) hours.

**16.7** The schedule for End-semester examination shall be notified in advance by the Controller of Examinations at least 15 (fifteen) days before the commencement of the examinations.

**16.8** Performance of students in a particular semester shall be indicated through *Semester Grade Average* (SGPA) which is a ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken and the sum of the number of credits of all the course undergone. It shall be expressed up to two decimal places. The SGPA shall be calculated using the formula:

$$SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i} \text{, where}$$

$C_i$  is the number of credits of the  $i^{\text{th}}$  course, and

$G_i$  is the grade point scored in the  $i^{\text{th}}$  course

**16.9** Candidates who fails to secure minimum pass grade (equivalent to 40% marks) in a course (In-semester and End-semester separately) and fails to obtain SGPA 4.0, shall be declared 'unsuccessful'. They shall be required to clear the 'arrear' or 'backlog' semester course(s) as per provisions of this regulation.

Illustration for SGPA:

Course	Credit	Grade Letter	Grade-Point	Credit Points	SGPA
Course-1	6	A	8	6×8 = 48	136/23 = 5.91 ('B' grade)
Course-2	2	B+	7	2×7 = 14	
Course-3	4	B	6	4×6 = 24	
Course-4	5	P	4	5×4 = 20	
Course-5	6	C	5	6×5 = 30	
TOTAL	23			136	

**16.10** The *Cumulative Grade Point Average (CGPA)* is the overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It shall be expressed up to two decimal place. It shall be calculated by the formula:

$$\text{CGPA} = \frac{\sum(C_i \times S_i)}{\sum C_i} \text{, where}$$

$S_i$  is the SGPA of the  $i^{\text{th}}$  semester, and  
 $C_i$  is the total number of credits in that semester

Illustration for CGPA:

Sem: I	Sem: II	Sem: III	Sem: IV	Sem: V	Sem: VI
Credit: 20	Credit: 20	Credit: 26	Credit: 26	Credit: 24	Credit: 24
SGPA: 5.91	SGPA: 6.00	SGPA: 8.75	SGPA: 7.15	SGPA: 6.33	SGPA: 6.00

$$\text{CGPA} = \frac{(20 \times 5.91) + (20 \times 6.00) + (26 \times 8.75) + (26 \times 7.15) + (24 \times 6.33) + (24 \times 6.00)}{(20+20+26+26+24+24)} = 947.52/140 = 6.76 \text{ ('B+' grade)}$$

### 17. PRACTICAL/PROJECT/DISSERTATION:

**17.1** Unless otherwise stated in the schemes of examination, practical examinations shall be conducted at the end of each semester.

**17.2** They shall be conducted at least by two examiners, one internal and one external, and shall never be conducted by both internal examiners.

**17.3** The candidate shall submit the record book duly certified by the course teacher(s) for evaluation by the external examiner(s).

**17.4** The statement of mark-sheet and the answer books of practical examinations shall be sent to the Controller of Examinations by the Principal of the college/External examiner immediately after the practical examinations.

**17.5** Project/Field work, if any, shall be supervised by a teacher guide in concerned Colleges. The Dissertation on the same shall be sent by the Principals to the Controller of Examinations who shall depute examiners for its proper evaluation.

### 18. GRADING SYSTEM:

**18.1** Bodoland University shall adopt *Absolute Grading System* for evaluating performance of the students. Marks from various components shall be converted to Grade and Grade Points and performance of each student from first semester onwards shall be indicated in grades. The following system shall be applied to indicate the performance of students in terms of letter grade and grade points:

Letter Grade	Grade Point	Equivalent % of Marks	Description	Performance
O	10	90 to 100	Outstanding	First Class with Distinction
A+	9	80 to < 90	Excellent	
A	8	70 to < 80	Very Good	First Class
B+	7	60 to < 70	Good	
B	6	55 to < 60	Above Average	Second Class
C	5	50 to < 55	Average	
P	4	40 to < 50	Pass	
F	0	Below 40	Fail	
I	0		Incomplete/Absent	

**18.2** A student shall be considered to have completed a course successfully if he/she secures a letter grade other than 'F' and 'I'.

**18.3** The letter grade 'P', 'C' and 'B' shall be considered second class whereas letter grade 'B+' and above shall be considered First class.

**18.4** Letter grades 'A+' and above shall be considered First class with distinction.

**18.5** For non credit courses 'Satisfactory' or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

**18.6** To be eligible for the award of Bachelor's degree, a student must have to clear all semesters and obtain a minimum final CGPA 4.0

**18.7** The Controller of Examinations shall issue a provisional Grade Card/Transcript to each candidate after results of an End-semester examination are declared. The final Grade Card/Transcript shall be issued at the end of the programme of study.

**18.8** The Grade Card/Transcript shall display the course details along with SGPA of that semester and CGPA earned till that semester. The SGPA and shall be rounded off to 2 decimal points and reported in the transcript.

**18.9** For convenience, equivalent percentage of marks may be calculated by using the conversion formula:  $10 \times \text{CGPA}$ . However, this formula shall not be applied on the Grade Card/Transcript.

**19. PROMOTION TO NEXT SEMESTER (WITH BACKLOG):**

**19.1** A student who fails to secure minimum pass grade (equivalent to 40% marks) in a course (In-semester and End-semester separately) and fails to obtain SGPA 4.0, shall be declared 'unsuccessful' and will be placed in 'F' grade.

**19.2** A student who duly fills in the End-semester examination application form but remains absent wholly or partially in any course will be placed in 'I' grade, and he/she shall be deemed to have lost one chance.

19.3 Whether any student is placed in 'F' or 'I' grade, shall normally be promoted to next semester.

19.4 In case a student has passes the In-semester or/and practical paper(s) in any given semester, his/her marks/grades shall be carried over.

19.5 If a student failed to submit the project work/dissertation/assignment of an End-semester examination, he/she shall be placed in 'I' grade and shall be required to submit the sam at the subsequent End-semester examination.

19.6 All students, who are placed in 'F' or 'I' grade in any semester examination, shall have to clear the 'arrear' or 'backlog' paper(s) in corresponding End-semester examination as scheduled below:

- (i) 1<sup>st</sup> semester with regular 3<sup>rd</sup> semester
- (ii) 2<sup>nd</sup> semester with regular 4<sup>th</sup> semester
- (iii) 3<sup>rd</sup> semester with regular 5<sup>th</sup> semester
- (iv) 4<sup>th</sup> semester with regular 6<sup>th</sup> semester

19.7 A special 'supplementary' examination shall held within two month after the last regular semester examination of extended period to enable those students who have got two chances to clear their 'backlog' papers of 3<sup>rd</sup> and 4<sup>th</sup> and 6<sup>th</sup> semester.

19.8 No student shall allowed to appear for a particular course more than twice (excluding the 1<sup>st</sup> appearance) which shall include the paper(s) which the candidate opts not to appear within the maximum time allowed.

19.9 Students' performance in an End-semester examination shall be scrutinized and approved by the Examination Committee/Vice-Chancellor after which the Controller of Examinations shall declare the results and issue Grade Card/Transcript. The results may be declared through notification in print or/and the university website.

19.10 Under normal circumstances, the entire process of evaluation and declaration of results shall be completed within 60 days from the last date of the End-semester examination.

19.11 The rank holder(s) of a programme may be decided on the basis of overall weighted percentage of mark obtained in CGPA.

19.12 Students who either availed 'betterment' chance or passed in 'supplementary' examination shall not be considered for the award of any prize/medal, rank or distinction.

## 20. BETTERMENT PROVISION:

20.1 'Betterment' provision shall be available for the students who opt to improve their grade in any particulars paper, and it shall be restricted up to 'C' grade. A student who is placed either in 'P' or 'C' grade in a particular paper may avail this provision.

20.2 Provided a student shall be allowed to avail only a single chance to appear in maximum two papers of a particular semester.

20.3 Betterment provision may be availed in corresponding End-semester examinations as scheduled below:

- (i) 1<sup>st</sup> semester with regular 3<sup>rd</sup> semester
- (ii) 2<sup>nd</sup> semester with regular 4<sup>th</sup> semester
- (iii) 3<sup>rd</sup> semester with regular 5<sup>th</sup> semester
- (iv) 4<sup>th</sup> semester with regular 6<sup>th</sup> semester

20.4 If a student wishes to improve his performance of 6<sup>th</sup> semester, may avail the chance during the special 'supplementary' examination that shall be held within two months after the

last regular semester examination of extended period.

**20.5** There shall be no provision of 'betterment' in case of practical/project/dissertation/assignment/laboratory work etc.

**21. MEDIUM OF INSTRUCTIONS FOR WRITING IN EXAMINATION:**

**21.1** The medium of examination, except language subjects, shall be English for Honours course.

**21.2** All question papers (except languages) in other DSC/DSE/GE/AEC/SEC course shall be framed in English and Assamese and answers must be written either in English or in Assamese.

**22. QUESTION PATTERN:**

Unless otherwise decided by the UG Board, question papers in UG (Honours and General) for End-semester theory examination having 80 marks and 3 hour duration should be designed covering all units of the syllabus and a range of difficulty and complexity.

**22.1** *Objective/Multiple-choice type question:* Maximum 10% questions should be worked out to enable students to get acquainted with various competitive/NET/SET examinations.

**22.2** *Very-Short answer type questions:* These questions (say, 10%) should aim at testing very basic knowledge/skill of the subject. Answer should be possible within 50 words or 3-4 lines.

**22.3** *Short answer type questions:* In order to test understanding of more than just the basics, answer to short-answer type questions (35-40%) should be possible in about 100-150 words or half-a-page to a full page.

**22.4** *Descriptive/Analytical answer type questions:* The objective of these questions (20-25% weightage) should be on testing students' understanding of concepts, ability to describe or analyse, and the ability to solve problems and take decision.

**22.5** *Advance answer type questions:* Such questions should aim at testing deeper conceptual understanding, the ability to critically examine and evaluate as well as to test students' capacity to derive conclusion or solve more complex problems. Questions may be divided into two or more parts with an objective type question appended within.

**22.6** For theory examination carrying 40 marks and 1.5 hours duration, the following pattern is recommended:

- (a) Multiple-choice type question: 4 (all compulsory) x 1 mark = 04 marks
- (b) Very-Short answer type questions: 3 (all compulsory) x 2 mark = 06 marks
- (c) Short answer type questions: 4 (out of 7) x 5 marks = 20 marks, and
- (d) Descriptive/Analytical answer type question: 1(out of 2) = 10 marks

**22.7** For theory examination carrying 80 marks and 3 hours duration, the following pattern is recommended:

- (a) Multiple-choice type question: 6 (all compulsory) x 1 mark = 06 marks
- (b) Very-Short answer type questions: 5 (all compulsory) x 2 mark = 10 marks
- (c) Short answer type questions: 6 (out of 9) x 5 marks = 30 marks, and
- (d) Descriptive/Analytical answer type question: 2(out of 3) x 10 marks = 20marks
- (e) Advance answer type questions: 1 (out of 2) x 14 = 14 marks

**23. EVALUATION, TABULATION & GRACE PRINCIPLE:**

**23.1** The university authority shall take necessary steps for smooth and time-bound evaluation of end-semester examinations. Result of each semester shall be published normally within 45 days from completion of the semester examination.

23.2 Answer scripts of End-semester examinations be submitted to the University as per instruction made from time to time for completion of the necessary coding formalities and evaluation process.

23.3 Spot evaluation procedures shall be followed for examination the theory papers.

23.4 If a candidate fails to obtain *pass grade* (minimum equivalent of 40%) in any course (Theory/practicum/viva voice) by 1 mark only he/she shall be awarded that deficient mark; that shall be shown in the Tabulation Rolls only but shall not be shown in the Grade Card/Transcript.

23.5 If a candidate misses 'B+' grade (minimum 60%) for deficiency of 1marks in SGPA/CGPA, the tabulator shall automatically add 1 mark and allow the candidate to acquire that status.

23.6 This addition of 1 mark by plus sign, again, shall not be shown in the Grad Card/Transcript but shall be shown in the Tabulation Rolls by adding (+) 1 mark to the score.

23.7 The examination Committee shall decide, if and when necessary, on any grace principle to be following for any particular End-semester examination.

#### 24. GRIEVANCE REDRESAL:

24.1 Student may approach the concerned Head of Department/Principal of the college if they have any grievance on internal assessments and the college authority must have an objective redresal mechanism for the purpose.

24.2 Candidates who have any grievance on evaluation of End-semester examinations may approach the Controller of Examinations.

24.3 There shall be no reevaluation of any paper-theory or practical-by the university authority.
